

WMD, Emergency Management and Medical Web Sites

1. The following is intended to provide a comprehensive list of internet sites of use for emergency planning and in particular Weapons of Mass Destruction (WMD) and medical emergency planning. To be useful as a working document, the listing is divided into the following categories:

- Organizations
 - [Federal Agencies](#)
 - [International](#)
 - [Local Emergency Management/BT/Health/WMD web sites](#)
 - [Private, Non-Profit, Academic Organizations, Professional Societies](#)
- References
 - [Agricultural, Animal, Food, Water Issues](#)
 - [Business/Facility/School/Installation Information](#)
 - [Community/Local Planning/Local Clinics](#)
 - [Decontamination](#)
 - [Diseases/Conditions/Agents/Treatment/Surveillance Systems](#)
 - [Equipment and Personal Protective Equipment](#)
 - [Federal Plans and Guidance, Laws, Regulations, Public Health Planning and Guidance](#)
 - [First responder guides/procedures](#)
 - [Hospital & Health Facilities](#)
 - [Individual/Public Guides & Info, Volunteers](#)
 - [Information Management/Public Affairs/Alert Systems](#)
 - [Laboratories](#)
 - [Legal and Law Enforcement Issues](#)
 - [Mental Health Issues](#)
 - [Mortuary Affairs](#)
 - [Miscellaneous](#)
- [Training/Seminars/Classes/Conferences](#)
- [Periodicals and Publications](#)
- [List Servers/Bulletin Services/Forums for WMD](#)

2. There is an incredible amount of information available through the internet (hence this document is currently 66 pages and growing!). As an introduction to understanding the complexity of all of the federal offices involved in WMD, go to the organizational chart at

<http://cns.miis.edu/research/cbw/domestic.htm#wmdchart>

3. To add to this listing or to get the latest edition contact Greg Banner at the Rhode Island Department of Health. gregoryb@doh.state.ri.us This is a working document and so updates are made to it almost continuously.

4. The list will be maintained and available for downloading off of the web at the following address:

http://www.health.ri.gov/biot/web_sites.doc

(Note underline between words “web” and “sites” “web_sites”) This web version will only periodically updated so the most current copy is always available directly from the author.
